

Foam Spider

Submitted by Bob Jones

Tying materials listed in the order used.

Hook: Mustad 94831 2XL size 8 (or similar)

Thread: Brown 3/0

Tail: squirrel tail dyed orange

Body: brown foam body approx. 3/4 inch long, tied down to give head approx. 5/16 inch long

Legs: orange medium rubber, tied in at back of head, length of each leg approx. 1 inch

Head: tied down at front, thread coated with Hard as Nails

Comments: colors of body and legs can be varied, including black and white.

Let the fish tell you how they want this fly presented: start out with little to no movement of this fly, if this doesn't get results add more movement to your presentation.
