

T's Golden Oldie
Submitted by Tom Herr

Tying Materials

Hook: WR 002 size 10-12 (White River, Bass Pro Shops)

Thread: tan 6/0

Tail: amber goose biots

Legs: orange/black sili legs

Thorax: light colored dubbing (possum is pictured)

Back: three strands gold mylar tinsel

Body: amber vinyl rib

Tying Directions

1. Wrap thread from eye of hook to just past bend of hook. Tie in one biot on each side of hook.
2. Tie in vinyl rib and wrap forward just past hook mid point.
3. Tie in three strands of mylar tinsel.
4. Dub forward three turns with dubbing.
5. Tie in legs on each side.
6. Dub forward to just behind hook eye.
7. Bring mylar tinsel over dubbing and tie off.

Comments: fish dead drift in riffles.

Species caught: steelhead, rainbow trout, brown trout, smallmouth bass
